

Neighbourhood Plan Parish Highways - Workshop

The Irene Usher Pavilion, Rusty Lane

Thursday 9th June

(2:00pm – 9:00pm)

As part of the development of the Neighbourhood Plan we want to understand the views and priorities relating to all aspects of the roads we use, or live by, within the Parish.

On 9th June we will be running a drop-in workshop for you to come along and share your views: with us and others who live in the parish of Seend. The information we gather will be used to inform the Neighbourhood Plan and provide a list of priorities for investigating shorter term solutions that we will take forward with the Parish and Wiltshire County Councils.

We understand that different parts of the Parish have different and sometimes conflicting priorities and we would like you to take this opportunity to help us understand what is important to you.

How do the roads in our parish affect the quality of life of the parishioners who live here?

How do the roads affect the visitors that come to our parish: to visit us or the beautiful surroundings we have the privilege to live in?

Light refreshments will be available.
